We welcome everyone to join us to worship and learn more about Jesus Christ!

### Our Mission:

A prayer-driven church.

A vibrant worshipping church.

A fervent evangelistic outreach church.

A committed disciple-making church.

A passionately caring church.

### Our Vision:

We strive to be a prayer-driven church where we submit our agendas to God and rely on the power of the Holy Spirit. We strive to be a God-worshipping church where our lives are transformed through worshipping God corporately and individually. We strive to be an evangelistic outreach church where we engage through local evangelism and global missions. We strive to be a disciple-making church where we learn to be obedient to the lordship of Jesus Christ; become mature through knowing God, and are equipped to train others to be disciples. We strive to be a passionately caring church where we support one another, care for one another, and encourage one another through fellowship.
